

Park Platform Design – Peer Feedback

Web Design

Strengths:

- Includes key aspects
- Strong search functionality

Weaknesses:

- Missing some details on report incident page

Changes to Make:

- Include accessibility info on review page for parity with mobile
- Add date to reporting page
- Include photo/video submission for issue reporting

Mobile Design

Strengths:

- None received

Weaknesses:

- Missing home page

Changes to Make:

- Add map interface for increased functionality
